**RFP 16-08**  
**LOUISIANA PUBLIC SERVICE COMMISSION**  
**REQUEST FOR PROPOSAL (“RFP”)**

*DOCKET NO. R-34026 LPSC, ex parte, In re: Investigation of double leveraging issues for all LPSC-jurisdictional utilities.*

The Louisiana Public Service Commission (“Commission” or “LPSC”), in accordance with the requirements of the LPSC’s General Order dated November 10, 2014 regarding the selection of contract employees to represent the Commission, (“Contract Order”) issues this Request for Proposals (“RFP”) to **outside regulatory consultants** who will assist the Commission in reviewing the issues related to the Commission’s above-captioned rulemaking docket. The Commission reserves the right to reject any proposal or decline to undertake this review at this time.

**I. Overview**

Staff, pursuant to Commission directive issued at the February 24, 2016 Business and Executive Session, issued a notice the above-captioned rulemaking docket on April 4, 2016 and notice was published in the Commission’s Official Bulletin on April 8, 2016. Specifically, Staff was directed to open a docket to accomplish the following:

1. Investigate double leveraging issues for all LPSC-jurisdictional utilities;
2. To the extent that double leveraging is utilized to fund a utility’s capital structure, any costs associated with such double leveraging shall not be included in the rates paid by the utility’s retail ratepayers.

**II. Scope of Representation**

Applicants will be assisting in-house Staff counsel in formulating issues list(s), drafting discovery requests to intervenors and reviewing responses to such requests, reviewing comments filed by intervening and interested parties, participating in any technical conferences, scheduled, drafting and reviewing reports and recommendations and participating in open sessions wherein the matter is discussed.

All proposals shall include an outline of a plan of action for conducting the rulemaking, technical conferences, if any, together with estimated timelines and separate fees and costs associated with each phase of the representation. However, in the event an applicant is chosen, the Commission and its Staff shall have the right to determine how the tasks will be carried out. In addition, all proposals shall be accompanied by a professional firm résumé indicating the qualifications and experience necessary to meet the requirements of this RFP.

### **III. Period of Representation**

The time period (“Period of Representation”) estimated to complete the Scope of representation is approximately 6-12 months. This is merely an estimate and the Commission makes no representations as to the accuracy of the Period of Representation.

### **IV. Minimum Requirements**

To be considered, all applicants must meet the following minimum requirements in addition to those provided in this Commission’s General Order dated November 10, 2014.

Consideration will be given to factors such as educational background and achievement, practical experience in the field of public utility regulation, and similar practice before other regulatory agencies or public utility commissions.

Applicants shall also, at a minimum, be experienced in the presentation of recommendations involving public utility regulation, or other regulatory issues on administrative and judicial levels. Consideration given to indicia of competence such as previous experience and success in regulatory rulemaking processes, success on appeals, publications of a regulatory nature, educational achievement and other previous employment suggesting competence in the matters involving the above areas; significant personal experience before regulatory agencies such as the SEC, FERC, FCC, or other similar entities may be a favorable factor. Firm size may be considered in matters likely to be prolonged, complex, or involving multiple forums.

Consultants shall have a working knowledge of Louisiana Public Service Commission rulemakings and jurisdictional issues; applicable Commission and federal regulations; and applicant shall, at a minimum, have knowledge of:

- (1) utility financing and capital structures;
- (2) appropriate accounting standards and practices for utilities;
- (3) applicable cost-of-service cost methodologies for utilities;
- (4) the basic components and requirements calculating utility return on equity;
- (5) the basic components and requirements of Formula Rate Plans, Rate Stabilization Plans, etc.;

- (6) the cost allocation methodologies for the allocation of investment and expenses among affiliates, including the relationship of the holding company to its subsidiary operating companies, the transfer of investment and costs between operating companies, and the provision of services among affiliates; and,
- (7) utility credit rating processes;

#### **V. Estimate of Costs**

All proposals shall include fees and costs associated with consulting in the docket. All applicants responding to this RFP shall quote their rates on an hourly basis and submit a total budget, and shall separate professional fees from costs. However, applicants shall only be allowed to charge for actual hours of work performed and costs incurred. Once selected, an applicant's rates and budget shall not be altered except by formal approval of the Commission.

#### **VI. Conflict of Interest**

Applicants shall prominently disclose current, as well as past employment, which could possibly result in a conflict of interest. In addition, applicants shall disclose matters in which they currently represent clients before the Commission.

#### **VII. Billing Guidelines**

As required by the November 10, 2014 General Order, all bills will be rendered monthly and shall specifically identify and describe all work performed, the person performing such work, the time and charge for such work, and shall additionally show the total amount billed to date and the authorized original estimate. Bills will be rendered in strict accordance with the Commission's guidelines. Expenses shall also be separately disclosed with proof of such expenses attached.

Expenses, where applicable, shall be reimbursed at state authorized rates as specified in the Travel Policies and Procedures Memorandum issued by the State of Louisiana, Division of Administration in effect at the time such expenses are incurred ("Allowable Expenses"). Any expenses that exceed the Allowable Expenses shall be borne by the contract employee and shall not be reimbursed by either the Commission, or the correspondent utilities, unless otherwise specified by the Commission.

#### **VIII. Reservation of Rights**

The LPSC reserves the right to reject any and all proposals, to amend and/or to supplement this RFP at any time, and to consider proposals or modifications thereof received at any time prior to LPSC vote at Open Session, if such action is found by the LPSC to be in the public interest. Pursuant to the General Order regarding the selection of contract employees, the LPSC has the right to accept other than the lowest offer with regard to price. In addition, there is also no assurance, express or implied, that an award will necessarily be made pursuant to this RFP.

**IX. Submission of Proposals**

Interested parties should submit the **original (hard copy), 5 copies, and e-mail an electronic copy** of the proposal to:
